About the Institution

JSS Mahavidyapeetha is a renowned institution committed to the welfare of the society through education, service, and healthcare. Under the visionary leadership of its Founder President His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamigalavaru, JSS Polytechnic for Women (JSSPW) was established in 1980 with the noble objective of empowering women through technical education. The institution strives to instill self-reliance and equip women with a strong identity, enabling them to actively participate in the mainstream of society on par with men. Since its inception, the institute has grown significantly-from offering just two programs to now providing eight programs across both engineering and non-engineering streams.
